

PARTNERSHIP
for the Sounds

PartnershipForTheSounds.org

WHEN THE WATERWAYS FLOURISH, SO DO YOU.

The waterways of The Sounds have supported people, wildlife and communities in this region for millennia, and farmers and towns since the earliest days of our country. And by joining with the Partnership for The Sounds, you can help these same waterways boost our local economy for years to come. In promoting education and tourism in The Sounds region, we can keep our towns strong economically, and preserve our vital heritage as well.
